EDGE—YOUNG

Miss Ethel Edge, eighteen, and Mr. Walter Young, nineteen, both of Lexington, came to Paris, Tuesday, and secured marriage license from the County Clerk's office. They were married shortly after by Rev. Gordon B. Crawford, pastor of the Felix Memorial church, in Lexington. The attendants were the groom's father, R. C. Young, and a sister of the bride, Miss Nellie Edge, all of Lexington.

The party motored to Paris for the ceremony, returning to Lexington, where the bridegroom is engaged as chauffeur. Before leaving the court house a liberal supply of rice, old shoes and other articles that are used as testimonial of affection for newly-weds, were showered on Mr. and Mrs. Young by several friends who had accompanied them.

ARM BROKEN

Daniel Ammerman, of Harrison county, had the misfortune to fall from a tier rail in a tobacco barn on the Clarence Lebus farm, near Jackson, Tuesday morning. His right arm was broken just above wrist. He was also badly bruised about the face and body. Mr. Ammerman was helping a fellow-workman named Daly hang his tobacco, and was on a tier rail about ten feet from the ground, when the rail slipped, letting him fall. A physician was called, and the injured man was given medical attention, and removed to his home.

ON THE PLAYGROUNDS

The boys and girls of the Wilson playgrounds enjoyed a rare treat Tuesday night in the presence of Miss Bertha Miller, of Lexington. Miss Miller came to Paris through an invitation from Miss Grace Cruickshanks, director of playground activities, and gave a number of very pleasing and entertaining readings. The selections were negro dialect stories, taken mainly from the writings of Paul Dunbar. The children, as well as the grown-ups, enjoyed the occasion thoroughly, and hope to have the pleasure of having Miss Miller with them again soon.

DOVE LAW EXPIRES ON SEPT. 1.

Dove hunters who have been under the impression that the open season on dove shooting began on August 15, will find they have been mistaken if they should take the field. The law does not expire until September 1, at which time they are free to get out with their guns in pursuit of the elusive and gentle dove, the "messenger of peace."

In this connection State Game Warden A. W. Bullock, of Paris, desires to warn all hunters that they must have the necessary hunting license, and must have it with them when they take the field. Violators of the game laws will be vigorously prosecuted, with the help and co-operation of the Bourbon County Game and Fish Club, and all other good sportsmen.

Game Warden Bullock, who also works under the direction of the Federal Game Commission, has received the following letter from the State Game and Fish Commission: and Fish Commission:

"We call your attention to the fact that a violation of the dove shooting law is also a violation of the Federal statutes.

"In the event that you fail to convict any violators of the dove law after having been brought to a trial, please report to this office and we will take the matter up with the Federal authorities.

"Please be especially vigilant in your endeavor to see that there is no violation in your district prior to the opening of the season."
